

*YOGA INSTRUCTOR/ PERSONAL SPORT & LIFE COACH/ NUTRITIONIST /
PRACTITIONER*

We open a premium yoga & wellness studio in Geneva (Switzerland) this spring, as we truly believe in yoga's benefits for improving everyone's life, health, and global being.

Thus, we are seeking outgoing, engaging team members who thrive in a community environment and are committed to our core values of connection, quality, safety, passion and growth. As we aim at offering the best services to our customers – qualitative small collective classes and individual coaching - we are now looking for a very charismatic, creative, careful, and experienced yoga teacher, who is also an excellent therapist, nutritionist, and a trustful coach.

If you are now looking for settling down in a beautiful city like Geneva, if you are looking for inspiring experiences, and willing to develop your career as a senior and recognized teacher/coach with a long- term vision, and if you have outstanding communication skills, then you are definitely the talented teacher that we are looking for!

We offer traditionally inspired warm set-sequence flows, vinyasa yoga, specialty yoga classes, ballet barre and pilates –at a variety of levels. Team members enjoy wide range benefits in addition to their compensation including: ongoing career development, complimentary membership, and much more!

This position is a permanent part or full time position (to be discussed) Salary and conditions to be discussed pending background, experience, and relocation if needed PRE-REQUISITES:

- 200 RYT (minimum) certified by Yoga Alliance or equivalent with 5-year experience minimum teaching at an international level*

- Professional background: Martial arts, Pilates, dance, gymnastic rhythmic, circus...*
- yin, and restorative yoga are also a plus*
- proven experience as leading teacher for trainings, workshops, and retreats*
- Yoga therapist, life coach / PNL*

- *Nutrition certificate + proven experience working in medical environments*
- *Certified and experienced practitioner (reflexology, deep tissue, Thai massages)*
- *Qualified knowledge of anatomy, yoga philosophy, and injuries observation*
- ***English native, fluent French. Russian, German and Italian can be a plus***
- *Outgoing, creative, charismatic leading teacher, open to bring his own touch by creating a class experience that shows his /her personality and skills while adhering to the studio standards*
- *Working permit L, B, C, G or UE citizen - is preferred*
- *Driving license* ***INSTRUCTOR RESPONSIBILITIES:***
- *Demonstrate the ability to teach a safe, fun, and creative class with a genuine interest in student success*
- *Strong desire to provide great client service*
- *Run yoga, stretching, and muscular reinforcement classes aligned with the studio's schedule*
- *Run private yoga classes and individual coaching sessions upon request during off peak hours*
- *Provide personalized nutrition advisory with the support of the nutritionist and bio F&B partner*
- *Create a long-term personal connection with each student*
- *Set up class room appropriately: Props, Mat Spacing, Music, Lighting*
- *Provide top notch class instruction that is consistent with the class format*
- *Follow up with students after class*
- *Clean studio space*

If you that are convinced that this position is matching your profile, personality, vision, values and overall experience, please kindly send us your resume, with photo and all personal contact details to jobs@recruitingtalents.ch . We look forward to meeting you!
